

North Berwick Summer Camp 2011

Sign-Ups Handout

Thank you so much for signing up your camper(s) to be a part of our Summer Camp experience.

Registration Fee Balance: If you have paid the \$25.00 non-refundable deposit tonight and still owe the balance of the \$370.00 or \$425.00 for out of town residents than you must have it paid for in full (Total of \$395.00) by the first day of camp or your camper(s) will not be allowed to attend until it is. This is the Town's Policy for all Parks and Recreation Programs and Sports Now... The first day is July 5th. There are a few ways to pay the balance. You can pay weekly, monthly, in two large payments or in one big payment before camp starts. Any arrangement will work for me as long as it is paid in full by the first day. Please speak to me if you need more clarification or have questions or concerns.

Next Sign Up Night for those who missed this one: May 25th 5-7pm at C.C.

Parent Information Night: Friday, June 17th, 2010 at 6pm inside the NB Comm. Ctr. This information night is a recommended event for a parent of each camper, but is mandatory for all new campers and their parent(s). It will provide you with important camp info, trip info, staff info and we will go over some rules and regulations as well. It is also an opportunity for you to ask any questions about camp that you have. I will have Parent Handbooks for anyone who wants one, Before and aftercare sign up info, extra shirt ordering (payment of \$10.00 due that night), and a great opportunity to meet the entire staff that will spend the summer with your kids. Your children will be required to fill out a behavioral contract and sign it so we know they understand what we expect. They can do that at the Info Night or we will go over it the first day of camp for those who have not completed one. Please make the proper arrangements so someone can attend.

Before and After Care is again available. It will be provided by the staff of the camp and will be \$3.00 an hour. For one hour it is \$3.00 and for two hours it is \$6.00. I fully believe this is a reasonable fee due to the fact that the children will have access to all camp equipment, the center if weather is bad, playgrounds, fields, insurance coverage, trained staff and their friends to hang with. The fee cannot be prorated. So it is \$3.00 for 5 minutes or an hour. We have to pay the staff person for the entire hour, we cannot pro-rate their pay. The hours will be 7am-9am and 3pm-5pm. Please let us know as soon as you know you will need this service so we can plan how many staff we will need, etc. We will use the same registration form for both programs. We will have a sign up sheet at sign ups for you to use. Last pick up time is 5pm and if you are late at 5pm then it is \$1.00 per minute because that staff person waiting for you is now into overtime and must be paid. We hope to never have to charge that so please be prompt. ALL payments are due on Friday of that week or there will be a \$10.00 late fee added onto your owed amount. Not bringing your checkbook doesn't count or I have no cash. It needs to be paid each Friday so please make arrangements to avoid any late fees. If you will not be here that Friday than we ask you pay Thursday and not Monday.

Thank you,
Kristie L. Michaud, North Berwick Parks and Recreation Director

CAMP PHILOSOPHY:

“Our camp is a non-competitive camp that encourages camper choices, spontaneity, friendship, fun, and personal growth. Safety is our first priority.”
