

North Berwick Summer Camp 2024

We are SO ready for Summer Camp this year!!! Last year we had such a blast and can't wait for another fun-filled, memorable summer!!

The only pricing increase is a for an additional week so that you have more coverage for the Summer with school getting out early!!!

There will also be some adjustments for our Before & After care pricing as well, to accommodate that 7th week!! We have a few different options to offer your family as outlined on the next page.

I've made a huge adjustment to Parent Info night! This will now become **our NB Rec Summer Camp Open House!!!** Meet the counselor involved in your camper's group, meet the leadership team, pick up your t-shirts, and have all the information handed to you. During this Open House I will be running a quick information session for all NEW parents & campers! More information to come!!

I will also be hosting a Family Night post Summer Camp, date TBD, to showcase the Camp slideshow on our new GIANT inflatable movie screen, as well as some other great surprises!!
